Education

ASSOCIATE OF SCIENCE DEGREE IN DIGITAL DESIGN GRAPHICS TECHNOLOGY FROM NAPA VALLEY COLLEGE

Studied drafting, graphic design, and 3D animation. Achieved in 2 years or 4 intense semesters. Gained several certificates for different Autodesk softwares.

ADVANCED CERTIFICATE IN TESOL FROM THE CANADIAN INSTITUTE OF ENGLISH

Certified to Teach English to Speakers of Other Languages. Studied about 40 brain-based teaching methods using applied neuroscience and linguistics.

GRADUATED FROM BENICIA HIGH SCHOOL - BENICIA, CA - CLASS OF 2015

SOLANO COLLEGE CREDIT EARNED

Accomplished several GPA's over 3.5 with advanced classes. Passed and earned excellent grades in the classes of GATE (an advanced class) Geometry, GATE Algebra 2, Chemistry, GATE Physics and ECH20 Environmental Science class. Also obtained college credit from Solano College for passing an Introductory Computer Science Final.

Experience

CAMERA OPERATOR IN COW PALACE CONVENTION BY SAN FRANCISCO

Summer 2017

Volunteered to work in Audio Video Department in a convention at COW Palace with attendance of about 7,000 people for 3 days. Given special training to handle equipment before event. Used a large professional camera to frame speakers and participants on stage to be broadcasted on video walls for audience. Also helped with AV set up and egress.

WON CASH PRIZE FOR NAPA VALLEY COLLEGE VIDEO CONTEST

Produced a sub 1 minute video that presented the school campus, filmed with DSLR camera.
