Work Experience

- La Cheve (Currently working here):
 - I am a waiter, and my job is to provide customers with good service and quality food.
- 3D Building Design, May of 2025
 - I was tasked with scanning and creating a 3D replica of a building on the Napa Valley College campus. To accomplish this, I used Trimble, AutoCAD, Inventor, 3ds Max, and others.
- Bistro Jeanty. California September of 2024
 - Graphic Designer: I had to recreate a logo for the Bistro Jeanty restaurant, they wanted me to remake the logo in a better quality.
- TJX Napa, California, February of 2022
 - Merch Associate: I was in charge of taking out the boxes from the truck, filling all the areas in the store and giving customer services.
- Vintage High School Napa California
 - Bilingual Tutor: Translate the class for students that have just arrived from Latin America.
- Napa Valley Board of Education Napa California
 - Student Advisory Council: I was part of the Student Advisory Council, representing Vintage High School, and gave my point of view and suggestions.

Education:

Currently enrolled at Napa Valley Collage with an AS Degree in Digital Design Graphics Technology.
Expected Graduation date of December / 2025.

- AP Spanish Language Literature and Culture
- Digital Media Advanced Class
- Career Technical Education (CTE) Student Award
- Golden State Seal Merit Diploma
- Volunteer in the Napa Lighted Art Festival
- Volunteer with Downtown Napa Association
